

A woman with braids and a young boy are sitting together, looking at a laptop. The woman is smiling and has her hand on the boy's head. The boy is also smiling and looking at the laptop. The background is a simple indoor setting.

User guide  
for parents

# Learning maths and science?

 Khan Academy  
makes it easy.

# KEEP AN EYE ON YOUR CHILD'S PROGRESS!

With Khan Academy, your child can learn maths and science through exercises, videos, articles and more. It's simple and free!

Your child's teacher or educator can set homework on Khan Academy.

Want to learn more? Create a [Parent account!](#)

## HOW TO CREATE A KHAN ACADEMY PARENT ACCOUNT?

### STEP 1 :

Register on [khanacademy.org](https://khanacademy.org) and choose the option 'Parent' (Parent).

### STEP 2 :

Click on your account name, at the top right of the page.

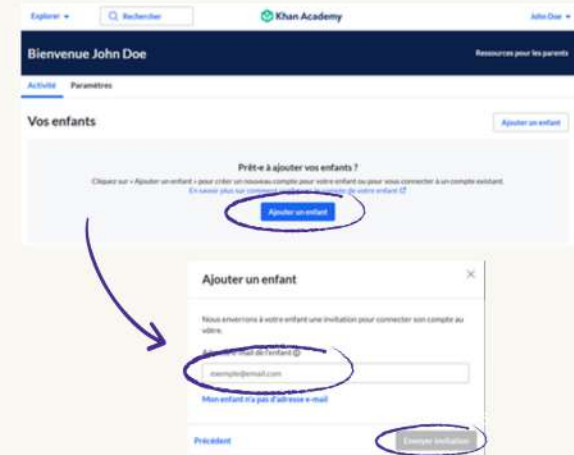

Then click on 'Parent Dashboard' (Tableau de bord parent).

### STEP 3 :

Click on 'Add a Child' (Ajouter un enfant).

If your child signed up to Khan Academy using an email address, send an invitation to that same email address.

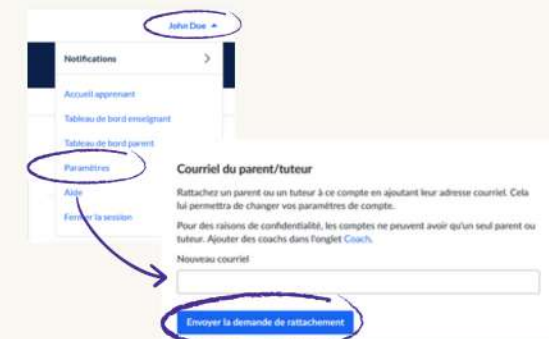

## WHAT TO DO IF YOUR CHILD DOESN'T HAVE AN EMAIL ADDRESS

Your child should log in to their account using the username and password provided by the teacher or the educator.

Your child should then click on their first name in the top right, then click on 'Settings' (Paramètres).

In the Settings menu, your child can enter your email address.

## CONGRATULATIONS!

You now have a Parent account! On your Parent Dashboard, you can follow your child's progress and modify their account settings by clicking on 'Settings'.

Khan Academy has been translated to French by Libraries Without Borders (BSF) Belgium, a non-profit organisation whose mission is to facilitate access to education, culture and information for everyone. BSF's guides, teaching aids and training courses aim to reduce educational inequality in Belgium.
